The TIF Committee Carlton Landing Oklahoma 74432-3272

March 15, 2019

The Carlton Landing Economic Development Trust The Town of Carlton Landing Carlton Landing, Oklahoma 74432

Dear Board Members:

At its meeting of March 15, 2019, the TIF Committee reviewed the current priorities established to guide the use of Funds derived from the TIF District in the Town of Carlton Landing, Oklahoma. It has come to the attention of this Board that there are three projects the Town wishes to pursue which would require a change in the priorities as they existed prior to our meeting on March 15, 2019.

On examination of the priorities established by this committee previously, we determined that a change in priorities is quite reasonable and consistent with the current requirements of the Town of Carlton Landing.

The TIF Committee of the Town of Carlton Landing, having made an adjustment in the previous priority list recommends through the Carlton Landing Economic Development Trust to the Town of Carlton Landing that:

- Consideration should be given to provide assistance to the Water Board to cover
 potential overages related to the building of a new water and sewage treatment plant.
 Final decision and payment amount is to be determined until the completion of the
 bid process, for the plant.
- TIF funds are available for the construction of a community building housing a Dining area (with a catering kitchen), a Town Hall and a Town Meeting space, a small Market, and/or other commercial enterprises not to exceed One Million dollars.
- After appropriate amendment of the TIF Project Plan, the town is advised to hire an Administrator to oversee the daily operation of the Town in addition to overseeing TIF projects. TIF funds may be used only to compensate for oversight of TIF projects. Imbursement for oversight of daily operation of the Town must be paid from the General Fund of the Town.

Regards,

The TIF Committee of Carlton Landing, Oklahoma

Joanne Chinnici, Grant Humphreys, Jim Hassenbeck
